Initial AR Gold King Mine Release index (2).pdf

Derek – Here is the index of documents on the CDs sent to the repositories. I think there is one or two additional documents that are not on the index you have. They are doc #1622636, which I mentioned when we spoke and 1622635, which we reviewed and redacted contractor employee names.

Richard,

I just left you a message about this issue but thought I would follow up with an email as well. There have been some additional questions about review of the AR set to go out today. Please give me a call when you can to discuss. Thank you.
